C-0297/XX

Mr. Arthur C. Lundahl
Director
National Photographic Interpretation Center
Washington, D. C. 20024

Dear Mr. Lundahl:

I was most appreciative of the opportunity to visit with you and members of your staff to understand first-hand the nature and magnitude of the significant contribution that the National Photographic Interpretation Center has made to national security. We consider our ties with NPIC to be close and productive and are most appreciative of the extensive and timely support that has been rendered by the Center over the past several years.

As you know, I have decided to retain [redacted] within the Special Activities Office as the Chief so as to derive maximum benefit from his capability in the critical areas of reconnaissance and photo interpretation. In this capacity, [redacted] will be directly responsible to me for DOD participation in NPIC and for related matters of mutual DOD/NPIC interest in order to insure a continuing and beneficial relationship between our organizations.

I am nominating [redacted] as a replacement for [redacted]. He will be available for duty in October 1970. As you can see by a copy of his record attached, [redacted] is a senior Air Force officer with extensive experience in the intelligence and targeting areas. His command experience, coupled with the nature and diversity of his assignments within the operations and intelligence areas, should provide the basis for an exceptional contribution to Center operations.

Sincerely,

D. V. BENNETT
Lieutenant General, USA
Director
